Glendive District Materials Lab Overview

The District oversees highway and bridge construction from the time a construction contract is awarded to a private contractor until the project is completed and the work approved. This includes inspection, sampling, testing, and surveying. The Glendive District Materials Laboratories are responsible for supplying design, construction, and maintenance staff with necessary information on availability, quality, and quantity of materials used through site assessment, quality assurance, testing, and technical assistance services related to materials used in design, construction, and maintenance of the Montana's highways and bridges.

Description of Duties

This position serves as a Field Project Technician within the District and is responsible for applying various inspection, sampling, and testing procedures to verify that construction project features and materials conform with standard specifications, Department requirements, and contract agreements. The position is also responsible for assisting with staking and surveying logistics and performing a variety of other duties as assigned.

Job Requirements

This position involves significant physical demands related to repeated lifting of up to 80 pounds (and occasionally greater weights); carrying survey equipment over rough terrain, climbing and bending to retrieve samples; and operating gas, diesel, and electrically powered equipment. The position involves extensive overnight travel throughout the District in excess of 2,000 miles per month (often on short notice, weekends, and holidays) and working outdoors in all types of weather.

Education and Experience

The required Knowledge, Skills and Abilities are typically acquired through a combination of education and experience equivalent to a high school diploma, including coursework in algebra, geometry, or trigonometry.

Compensation / Benefits

Annual pay raises as granted by the legislature. State employees working at least half-time are also provided paid health, dental and life insurance. Other benefits for eligible state employees include a credit union, a deferred compensation program, public employees retirement program, 15 working days annual leave per year, 12 days sick leave per year, paid holidays and up to 15 days military leave with full pay.
